The **Shadow***box*

by Michael Cristofer \*\*

This Pulitzer Prize and Tony Award winning drama examines the lives of a workingman faced with the awesome unknown, a failed intellectual torn between his flamboyant wife and his homosexual lover and an irascible, cussing old woman kept alive with letters from the dead. Each is about to come to terms with the one inescapable fact of life in a drama of haunting eloquence and harrowing wit that will change the way you think and feel about dying. This play contains strong language and mature subject matter.
